### \* Basement Bicycle Racks

There are a few basement bike racks currently available. If you are interested in renting a bike rack, please send an email to [BOARD@875WEST181.COM](mailto:BOARD@875WEST181.COM). There is a fee of \$10 per month for the use of each rack, which will be added to your monthly maintenance bill.

### \* Interior repairs

The Board is pleased to report that the next phase of the repair project (involving apartments damaged by outside leaks) will begin on Monday.

### \* Volunteering

Residents often ask how they might become more involved in improving the day-to-day life of our building and the Board is exploring ways to encourage wider participation. The more active and involved our residents are, the healthier our building will become.

There are already two committees to which you can bring your energy and expertise:

Design Committee – Lisa Homa, Chair

Garden Committee – Mark Planner, Chair

If you have an idea for a committee or any other means by which you and others might get involved in a meaningful way, please email the Board at [BOARD@875WEST181.COM](mailto:BOARD@875WEST181.COM).
