**JUNE 6, 2012**

On June 4, the Board held its first meeting with our new managing agent team: AJ Ursillo and Alex Kuffel. Here is a list of some the items that were discussed:

## **LAUNDRY ROOM**

In response to health and sanitary concerns, Sam is required to dispose of any clothing left in the laundry room for more than 24 hours. Also, please remember to clean the lint filter after the dryer has been used.

## **BUILDING CLEANLINESS**

AJ will prepare a work schedule outlining the specific days on which each floor will be swept and mopped, to be distributed to all residents.

## **FIOS**

In response to many shareholders' requests, the Board is exploring the possibility of bringing FIOS into the building.

## **HOT WATER**

The Board is exploring solutions to our hot water issues. The need to run water for a long time before it becomes hot is wasting a great deal of water.

## **THANK YOU**

The Board would like to thank Lisa Homa, Kalliopi Michalopoulou, and especially Ethan Kent for helping spruce up our wonderful garden and the tree wells on 181<sup>st</sup> Street. In addition, thanks go to Rachel Feingold and Jonathan Robbins for beautifying the service entrance.

## **A COUPLE OF REMINDERS**

To contact the Board and AJ simultaneously, please use our new email address: [BOARDANDMGT@875WEST181.COM](mailto:BOARDANDMGT@875WEST181.COM).

Please read the Recycling Guidelines on the back of this Cooperator and remember, the Coop risks hefty fines if the guidelines are not followed.

**And finally thanks to all our residents for their patience and cooperation during this important transition.**
