

**November 26, 2014**

**ANNUAL STIRLING TOWERS HOLIDAY PARTY**

Everyone - shareholders and renters alike - is cordially invited Stirling Towers Annual Holiday Celebration to be held Friday, December 12th in the lobby. Enjoy fellowship, food and an opportunity to catch up with friends and neighbors. Our very own harp virtuoso Margaret Sneddon will once again add her special touch. Please come and celebrate the season!

This will be a potluck occasion; the food and drink sign-up sheet will be in the lobby mailroom. If you would like to help with the party, please contact: [boardandmgt@875west181.com](mailto:boardandmgt@875west181.com).

**BUILDING SECURITY UPDATE**

Officer Rodriguez of our local police precinct has accepted our invitation to meet with Stirling Towers residents at 7PM on Tuesday, December 9, 2014 in the lobby. He will answer all of our questions and give important advice regarding neighborhood, building and personal security.

In order to provide greater building security, two additional cameras have already been installed in strategic areas of the basement

**PEST CONTROL ALERT**

The holiday season is a time when more trash is thrown out than at any other time of the year. When you are preparing your holiday feast please be careful to put the leftovers in a trash bag which is properly sealed and place it in a trash bin. Make sure the bin is covered. Please don't leave trash on the basement floor. If you are leaving through the basement, please make sure that the door closes securely behind you.

The Board is working closely with the building's exterminator to ensure that the holidays are vermin free.

**APARTMENT RENOVATIONS**

This is an important reminder: Before beginning apartment renovations of any scope or size, residents must contact our managing agent, AJ Ursillo at [aj@pride22.com](mailto:aj@pride22.com). Failure to do so can result in a fine as outlined in Stirling Towers House Rules.

**BASEMENT BICYCLE RACKS**

If you would like to be put on the waiting list for one of our basement bike racks, please send an email to [boardandmgt@875west181.com](mailto:boardandmgt@875west181.com).

**LOBBY RUNNERS**

To better cope with what is predicted to be a very stormy winter, lobby runners will be kept in place until the snow season is over.

HAPPY THANKSGIVING TO ONE AND ALL!
